

The logo for the 2011 conference features a stylized graphic on the left consisting of overlapping curved shapes in red, orange, and yellow, with thin white lines. To the right of this graphic, the text "Ergonomics & Human Factors" is written in a bold, black, sans-serif font, and the year "2011" is written in a large, bold, red, sans-serif font.

# Ergonomics & Human Factors 2011

## Instructions for poster presenters

The poster session is scheduled for 17.30 on Tuesday 12 April 2011.

Upon arrival at the registration desk, please identify yourself to the secretariat as a poster presenter. They will then direct you to the area where the poster boards are displayed. There will be Velcro dots available from the secretariat to mount the poster onto the display panels.

Please note that the panel on which your poster will be displayed is 6ft high by 4ft wide.

You must be available during the poster session on Tuesday evening from 17.30 to 18.30. You need to stand by your poster and talk to the delegates who wish to discuss your work with you. During this time there will be a drinks reception so you should expect a large number of delegates in the poster area.

At the end of the conference on Thursday lunch time, please remove your poster and take it away with you.

Members of the secretariat are available to assist throughout the conference. If you have any questions concerning the conference, please ask them. They can be identified by their red lanyards and badges.

Thank you for your hard work, good luck, and I hope you enjoy the conference.

Martin Anderson  
Editor and Programme Secretary  
Contemporary Ergonomics and Human Factors 2011
